## 2. Usage Rights.

- 2.1** The license rights granted herein must be exercised in accordance with the usage rights you have purchased or obtained from KitBash ("**Usage Rights**"). Usage Rights may be based on, among other things, the applicable license tier, whether you are purchasing license rights to an individual Asset, whether you are purchasing perpetual or limited term use rights, or whether you are purchasing a subscription to download, import or obtain multiple Assets over a period of time (a "**Subscription**"). For more information on the Usage Rights available for purchase from KitBash, please review KitBash's website at <https://kitbash3d.com/pages/usage-rights>.
- 2.2** You will be asked to select the Usage Rights you are purchasing at the time of purchase. You should, prior to completing your purchase, make sure that you fully understand the Usage Rights you are purchasing and ensure that such Usage Rights are appropriate for your desired use. If you have questions regarding which Usage Rights are appropriate for your desired use, please contact KitBash at [info@kitbash.com](mailto:info@kitbash.com).
- 2.3** You may only access and/or use the Assets, the Downloadable Software, and the Platforms within the scope of your Usage Rights. KitBash has technical measures in place to restrict access to Assets and/or User Accounts that are being used in violation of a user's Usage Rights. KitBash reserves the right to: (i) use such technical measures to monitor each user's use of the Assets and/or the Platforms; and (ii) immediately and without prior notice to you suspend any access to or use of the Assets and/or the Platforms in the event that KitBash concludes that any use of the Assets and/or the Platforms exceeds your Usage Rights. However, it is your obligation to know and understand the scope and extent of your Usage Rights. If you exceed the scope of your Usage Rights, you agree: (a) that KitBash may invoice you for the additional fees commensurate with any such unauthorized use (at KitBash's then current fees and payment terms); (b) that you will pay such invoice within thirty (30) days of your receipt of the invoice; and (c) that such remedy is not exclusive of the other remedies available to KitBash in connection with such unauthorized use.

## 3. License Rights.

### 3.1 License Grants.

- 3.1.1 Assets.** Subject to your compliance with the terms and conditions set forth in this Agreement, KitBash hereby grants you a limited, terminable, nontransferable, nonsublicensable, nonexclusive, royalty-free (subject to your payment obligations set forth herein) license to modify and/or create derivative works of and display and incorporate any of the Assets that you download, import or otherwise obtain from the Platforms (and any modifications or derivative works thereof) in your Larger Works (defined below), solely pursuant to and in accordance with your Usage Rights.
- 3.1.2 Platforms.** During the Term and subject to your compliance with the terms and conditions set forth in this Agreement, KitBash hereby grants you a limited, terminable, nontransferable, nonsublicensable, nonexclusive, royalty-free (subject to your payment obligations set forth herein) license to access and use the Platforms solely for purposes of browsing, downloading, importing and purchasing rights to use the Assets, solely pursuant to and in accordance with your Usage Rights.

**3.1.3 Downloadable Software.** During the Term and subject to your compliance with the terms and conditions set forth in this Agreement, KitBash hereby grants you a limited, terminable, nontransferable, nonsublicensable, nonexclusive, royalty-free (subject to your payment obligations set forth herein) license to download, copy, and run the Downloadable Software on device(s) owned or controlled by you for purposes of accessing the Platforms from such device, in accordance with the Documentation, and solely pursuant to and in accordance with your Usage Rights. Any open source software is licensed to you pursuant to the terms of the applicable open source software license and not this [Section 3.1.3](#).

You acknowledge and agree that the rights granted herein are neither contingent on the delivery of any future functionality or features nor dependent on any oral or written public comments made by KitBash regarding future functionality or features.

**3.2 License Obligations, Restrictions and Limitations.** You acknowledge and agree as follows:

**3.2.1** The license rights granted in [Section 3.1](#) above are nonexclusive in nature, meaning that KitBash may grant to third parties the same rights granted to you in [Section 3.1](#), as KitBash deems fit in its sole and absolute discretion.

**3.2.2** The Assets may be used by you as part of your Larger Works. You acknowledge and agree that Larger Works must include substantial additional content and/or imagery in addition to the Assets. Furthermore, depending on your Usage Rights, the Asset may only be used in the Larger Work for which it was originally imported from the Platform; other Usage Rights may permit the removal of an Asset from the original Larger Work to a new or different Larger Work. It is your responsibility to make sure that you purchase the necessary Usage Rights appropriate for your intended use of the Asset.

**3.2.3** The license rights in [Section 3.1.2](#) and [Section 3.1.3](#) above are granted during the Term only. However, the duration of the license rights granted in [Section 3.1.1](#) above will depend on your Usage Rights. In particular:

- a.** If your Usage Rights provide for a Subscription, you are not permitted to access or use the Assets following the expiration of the Term. Similarly, if your Usage Rights permit the use of an Asset only for a limited period of time, then you are not permitted to access or use the Asset following the expiration of the limited period of time. However, in each case, to the extent the Asset was properly incorporated as part of a Larger Work pursuant to this Agreement, you may, following the Term or the limited period of time, continue to use and display the Asset as part of the Larger Work in the same manner in which the Asset was initially incorporated as part of the Larger Work.
- b.** If your Usage Rights provide for perpetual use rights, then your rights to use an Asset will continue following the Term, except as set forth in [Section 6.3.1\(c\)](#).

Again, it is your responsibility to make sure that you purchase the necessary Usage Rights appropriate for your intended use of the Asset.

**3.2.4** Although the license rights granted in [Section 3.1](#) above are nonsublicensable and nontransferable in nature, you may freely distribute and/or make available the Assets as part of the distribution and/or making available of a Larger Work to third parties, provided that, the Assets were properly incorporated as part of the Larger Work pursuant to the license rights granted to you in [Section 3.1](#) above. However, if you want to distribute and/or

make available Larger Works in which the Assets are included in an editable format that allows the recipient to access, copy and/or modify the Assets, then you need to purchase the necessary Usage Rights to do so.

- 3.2.5** The Usage Rights purchased will dictate whether only individuals who actually access and/or use a Platform are required to have a license under this Agreement, or whether additional license rights must be purchased. For example, certain Usage Rights authorize the use of the Platforms or the Assets by a single, individual; conversely, other Usage Rights allow for the use of Platforms or the Assets by multiple users within the same company, including multiple employees and/or subcontractors.
- 3.2.6** The Assets are intended to be distributed and/or made available exclusively through one or more Platforms. If an Asset cannot be downloaded or imported directly from the Platforms, KitBash will deliver the Asset to you electronically using the email address associated with your User Account. However, notwithstanding anything to the contrary in this [Section 3.2.6](#), KitBash has no obligation to provide or make available the Assets other than by or through the Platforms.
- 3.2.7** The Assets may not be used as inputs in or as part of the training of artificial intelligence (“**AI**”) or machine learning models. For purposes of clarity, the foregoing prohibition includes, without limitation, use of the Assets for purposes of teaching AI to interpret data or information and learn from it in order to perform a specific task, or in or as part of generative AI, neural networks, deep learning algorithms, or as part of any other machine learning intended to create new digital assets similar to or competitive with the Assets.
- 3.2.8** You acknowledge that except as expressly stated in this Agreement, KitBash does not grant to you any right or license to the Platforms and/or the Assets, and no license or other rights shall be created by implication, estoppel or otherwise. Except as otherwise expressly authorized herein, you shall not: (i) sublicense or otherwise permit access to or use of any Assets and/or the Platforms on a commercial time-sharing or service bureau basis; (ii) reassign or otherwise transfer your rights to access and use any Assets and/or the Platforms; or (iii) make, or permit or allow a third party to make, any modifications, alterations or changes to the Assets and/or the Platforms, or otherwise create any derivative works thereof. You agree not to use, reproduce, distribute, make available, or otherwise permit access to and/or use of the Assets and/or the Platforms in any manner or for any purpose except as specifically permitted under this Agreement.
- 3.2.9** In order to protect KitBash’s and/or its licensors’ copyright rights and other Intellectual Property Rights in and to the Platforms, the Downloadable Software, and the Assets, you agree to not remove, conceal, alter, cover-up or obscure any proprietary rights notices displayed on the Assets, the Platforms, and/or any Documentation.
- 3.2.10** You acknowledge and agree that KitBash may, during the Term, make updates to the Platforms or any parts thereof (“**Platform Update(s)**”). KitBash will use commercially reasonable efforts to notify you in advance of such Platform Updates to the extent such Platform Updates are material. Where a Platform Update involves Downloadable Software, you will be required to install the Downloadable Software associated with the Platform Update promptly upon delivery of the Downloadable Software by KitBash. Your failure to install such Downloadable Software pursuant to the preceding sentence may result in you no longer being able to access or use the Platform to which such Downloadable Software relates. If you decline to install any Downloadable Software as required by this [Section 3.2.10](#), your sole and exclusive remedy will be to either download, import or otherwise obtain Assets (in accordance with your Usage Rights) using another

Platform, or terminate this Agreement by providing written notice to KitBash of such termination, such termination to be without fault or penalty to either party. In the event of such termination, KitBash shall, upon your written request, refund to you any Fees prepaid by you but unearned by KitBash as of the effective date of termination. Except as otherwise expressly set forth in this [Section 3.2.10](#), KitBash shall have no liability of any kind to you with respect to any Platform Updates or any adverse effects or outcomes resulting from any such Platform Updates.

**3.2.11** You acknowledge and agree that KitBash may, during the Term, update, modify or otherwise make changes to the Assets, remove certain Assets from availability on the Platforms, or make new Assets available on the Platforms ("**Asset Update(s)**"). KitBash will have no obligation to notify you in advance of any such Asset Updates, nor shall KitBash have any liability of any kind to you with respect to any such Asset Updates or any adverse effects or outcomes resulting from any such Asset Updates. Any such Asset Updates shall not affect any Assets you downloaded, imported, or obtained from the Platforms prior to the Asset Update being released or made available.

**3.2.12** KitBash may, at any time, suspend and/or discontinue the Platforms as is reasonably necessary in order for KitBash and/or the Platform to comply with Legal Requirements and/or to address an exigent circumstance such as a security breach or other unauthorized access to or use of the Platforms ("**Exigent Circumstance**"). In the event of any suspension due to an Exigent Circumstance, KitBash will use commercially reasonable efforts to restore the availability of the Platform as soon as reasonably practicable under the circumstances. Any such suspension shall not relieve you of your obligation to make payments to KitBash pursuant to [Section 5](#) below.

**3.2.13** You must register for a user account in order to access and use the Platforms ("**User Account(s)**"). You acknowledge and agree that:

- a.** In registering for your User Account, you must provide accurate, current and complete registration information (collectively, "**Registration Info**"). By submitting the Registration Info, you represent and warrant to KitBash that your Registration Info is accurate, current and complete. You agree to promptly update your Registration Info in the event there are any changes to your Registration Info.
- b.** You are fully responsible for all usage and activity on the Platforms under your User Account and shall be liable for all such use and activity. You are solely responsible for maintaining the confidentiality and security of your user logins and password(s), and you agree to immediately notify KitBash of any known or suspected unauthorized use(s) of your User Account, or any known or suspected breach of security, including loss, theft, or unauthorized disclosure of any login or password. You further agree to: (i) take reasonable efforts to resolve any unauthorized access to or use of the Platforms; and (ii) reasonably cooperate with KitBash in mitigating and/or resolving the unauthorized access. Each User Account is assigned to an individual user and is personal to that user. Under no circumstances will any user be permitted or allowed to use any User Account other than the User Account assigned to such user, nor will any such user permit or allow any third party to use his or her assigned User Account.

- 3.2.14** You are not permitted to use a Platform in any manner that does or could potentially undermine the security of that Platform or any of its associated IT systems or networks. In addition, you agree to not interfere with, modify or disable any features, functionality or security controls of the Assets and/or the Platforms, defeat, avoid, bypass, remove, deactivate or otherwise circumvent any protection mechanisms for Assets and/or the Platforms, or reverse engineer, decompile, disassemble or derive source code, underlying ideas, algorithms, structure or organizational form from the Assets and/or the Platforms, or otherwise attempt to do any of the foregoing.
- 3.2.15** You will not, and will not authorize or permit any third parties to: (i) upload, transmit, or otherwise publish any communication or content to or through the Platforms that contains Malicious Software; (ii) use the Platforms or any Assets in any manner that violates, infringes, or misappropriates the Intellectual Property Rights, publicity or privacy rights, or other rights of any third party; (iii) use the Platforms or any Assets other than in compliance with Legal Requirements and the Documentation; and (iv) not use the Platforms or any Assets for any illegal, fraudulent, unethical, or inappropriate purposes.
- 3.2.16** You will not, and will not authorize or permit any third parties to: (i) access or use the Assets and/or the Platforms for benchmarking or competitive use or analysis; or (ii) access or use the Assets and/or the Platforms in order to build any product or service that is competitive with the Assets and/or the Platforms, or that copies or emulates any features, functions or graphics of the Assets and/or the Platforms, in each case, without the express written permission of KitBash.
- 3.2.17** You agree to not make any representations or warranties to third parties on behalf of KitBash, including without limitation, any representations or warranties concerning the Assets.
- 3.2.18** You are solely responsible, at your sole cost and expense, for making all arrangements necessary for you to have access to the Platforms, including without limitation, your Internet connection.
- 3.2.19** Except as otherwise expressly agreed to by KitBash in writing, you will be solely responsible for, and KitBash shall have no responsibility or liability of any kind in connection with, the collection, maintenance and/or transmission of Your Data and for ensuring that Your Data: (i) does not violate or infringe the Intellectual Property Rights of any third party; (ii) is not offensive, profane, obscene, libelous or otherwise illegal or in violation of Legal Requirements; and (iii) does not contain or introduce Malicious Software into the Platforms or any other KitBash IT systems or networks. KitBash shall have no liability or responsibility of any kind in connection with, the accuracy, legality, quality, and/or sufficiency of Your Data. You acknowledge and agree that any defects or inaccuracies in Your Data may delay, prevent, or otherwise detrimentally affect KitBash's provision of the Assets and/or the Platforms hereunder.
- 3.2.20** The Platforms do not replace the need for you to maintain regular data backups or redundant data archives. While a Platform may backup or create redundant data archives as part of its normal operation, the Platforms are not data hosting services. Accordingly, you are solely responsible for any data backups and/or redundant data archives of Your Data. EXCEPT AS EXPRESSLY SET FORTH IN THIS [SECTION 3.2.20](#), KITBASH HAS NO OBLIGATION OR LIABILITY FOR ANY LOSS, ALTERATION, DESTRUCTION, DAMAGE, CORRUPTION OR RECOVERY OF ANY OF YOUR DATA.

- 3.2.21** You may use the Platforms when and as available. Although KitBash generally intends for the Platforms to be available on an uninterrupted basis, the Platforms will not always be available (e.g., during maintenance, changes, outages and for other reasons). KitBash will not be liable to you if for any reason all or any part of the Platforms are unavailable at any time for any period.
- 3.2.22** KitBash may from time to time make available to you, at no cost, certain features and/or functions of the Assets and/or the Platforms for free or at no cost ("**Free Offerings**"). With respect to such Free Offerings, you acknowledge and agree that: (i) KitBash does not provide any technical support in connection with such Free Offerings; (ii) any risk associated with such Free Offerings is solely with you; and (iii) the use of any such Free Offerings shall be limited to the period of time authorized by KitBash, and KitBash reserves the right to terminate such Free Offerings at any time upon notice to you. IN NO EVENT SHALL KITBASH BE LIABLE TO YOU FOR ANY DAMAGES WHATSOEVER IN CONNECTION WITH SUCH FREE OFFERINGS, WHETHER OR NOT SUCH DAMAGES ARE DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE. IF NOTWITHSTANDING THE PRECEDING SENTENCE, KITBASH IS LIABLE TO YOU IN CONNECTION WITH ANY SUCH FREE OFFERINGS, KITBASH'S TOTAL AGGREGATE LIABILITY TO YOU IN CONNECTION WITH SUCH FREE OFFERINGS SHALL NOT EXCEED \$25 USD.
- 3.2.23** The Platforms and/or the Assets may contain features designed to interoperate with Third Party Offerings. To use such features, you must obtain access to such Third Party Offerings from the respective third party provider. You further agree as follows with respect to the Third Party Offerings:
- a.** If the provider of any Third Party Offering ceases to make the Third Party Offering available on reasonable terms (as determined by KitBash), KitBash may cease providing the features of the Platforms and/or the Assets designed to interoperate with such Third Party Offerings, in KitBash's sole and absolute discretion and without refund, credit or other compensation to you.
  - b.** Your use of any Third Party Offerings is solely between you and the applicable provider of the Third Party Offering; KitBash does not warrant or support any Third Party Offerings.
-

## 4. Intellectual Property Rights.

- 4.1 KitBash IP.** As between you and KitBash, all right, title and interest in and to the KitBash IP, and all versions, copies, components, modifications, enhancements and derivatives thereof, and any and all other Intellectual Property Rights associated therewith, are and shall remain the sole and exclusive property of KitBash and/or its licensors, and under no circumstances will this Agreement be construed, by implication, estoppel, or otherwise, to confer any right in the KitBash IP or any other products, systems, methods or technology that are not explicitly identified herein, and you will not make use of the KitBash IP except as expressly authorized by this Agreement.
- 4.2 Your IP.** As between you and KitBash, all right, title and interest in and to Your IP, and all versions, copies, components, modifications, enhancements and derivatives thereof, and any and all other Intellectual Property Rights associated therewith, are and shall remain the sole and exclusive property of you and/or your licensors, and under no circumstances will this Agreement be construed, by implication, estoppel, or otherwise, to confer any right in Your IP that is not explicitly identified herein.
- 4.3 Your Data.** The use of the Platforms may result in KitBash's use and/or processing of Your Data by or through the Platforms. Your Data is deemed Your IP and owned by you pursuant to [Section 4.2](#) above. However, during the Term and subject to the terms and conditions set forth herein, you hereby grant to KitBash a limited, nonexclusive, fully-paid, royalty-free, license to use and/or process Your Data for purposes of providing the Assets and the Platforms to you hereunder.
- 4.4 Further Assurances.** You agree to cooperate and reasonably assist KitBash, at KitBash's expense, in perfecting KitBash's Intellectual Property Rights hereunder, including without limitation, by signing all relevant assignment documents and/or other documents with respect to the ownership of such Intellectual Property Rights.
- 4.5 Infringement.** You agree to promptly inform KitBash of any infringement or misappropriation of its Intellectual Property Rights with respect to the KitBash IP of which you become aware. You agree that: (i) KitBash shall have the sole and exclusive right, at its option, to enforce and/or defend its Intellectual Property Rights; and (ii) you will reasonably cooperate with KitBash in such enforcement efforts, as reasonably requested by KitBash and at KitBash's cost and expense.
- 4.6 Feedback.** You hereby grant to KitBash a nonexclusive, perpetual, irrevocable, royalty-free, worldwide license to use, reproduce, disclose, sublicense, distribute, modify, and otherwise exploit your Feedback, without your permission and consent, and without any payment obligation of any kind. "**Feedback**" means any comments, feedback, suggestions, or ideas you or any of your users provides to KitBash either through or independent of the Platforms or otherwise.
-

## 5. Payments.

### 5.1 Fees.

**5.1.1** You agree to pay to KitBash the usage and license fees displayed at the time of purchase (the "**Fee(s)**"). If you do not agree to pay the Fees, do not proceed with your transaction. Unless otherwise stated, all Fees are quoted in U.S. Dollars.

**5.1.2** KitBash reserves the right to increase the Fees at any time in its discretion. KitBash will provide you not less than thirty (30) days' prior written notice of any such increase to the Fees. In the event you object to the increase, your sole and exclusive remedy is to terminate this Agreement pursuant to [Section 6.2](#) below prior to the expiration of such thirty (30) day period. Your failure to terminate this Agreement as set forth in the preceding sentence means that you agree to the increase to the Fees.

**5.2 Billing.** If the Usage Rights you have purchased provide for perpetual use rights in connection with an Asset or for the right to use an Asset for a limited period of time, then the Fees must be paid at the initial time of purchase. If the Usage Rights you have purchased provide for a Subscription, the Fees must be paid at the initial time of purchase, and then again upon the expiration of the applicable Subscription period.

### 5.3 Payment Terms.

**5.3.1** You are responsible for paying all Fees and applicable taxes associated with your use of the Assets and/or the Platforms in a timely manner with a valid payment method. You agree at all times to keep your payment information current and complete. Except as otherwise set forth in this Agreement, KitBash does not provide refunds.

**5.3.2** If your payment method fails or your account is past due, KitBash may suspend your access to the Assets and/or the Platforms immediately without notice to you, and will further have the right to collect fees owed using other collection mechanisms. This includes charging other payment methods on file with KitBash, or retaining collection agencies and legal counsel, in KitBash's discretion. The remedies set forth in this [Section 5.3.2](#) are in addition to any other remedies that KitBash may have under this Agreement or otherwise at law or in equity.

**5.4 No Deductions or Setoffs.** All amounts payable to KitBash under this Agreement shall be paid to KitBash in full and without any setoff, recoupment, counterclaim, deduction, debit or withholding for any reason.

---

## 6. Term and Termination.

**6.1 Term.** This Agreement shall commence as of the date you accept this Agreement and complete the registration process necessary to create your User Account (the “Effective **Date**”), and shall, unless earlier terminated as set forth in this Agreement, continue in effect until terminated as set forth herein (the “**Term**”).

**6.2 Termination.** This Agreement may be terminated as follows:

**6.2.1** KitBash shall have the right to terminate this Agreement, upon written notice to you, in the event you fail to make any past due payment owed by you to KitBash hereunder within fifteen (15) days of KitBash’s written request therefor.

**6.2.2** KitBash may further terminate this Agreement: (i) immediately upon notice to you, in the event you breach or otherwise violate [Section 2](#) or [Section 3.2](#) above; or (ii) in the event you breach or otherwise violate any other material term or provision of this Agreement and such breach continues for a period of at least thirty (30) days following notice by KitBash to you specifying the breach, or effective immediately if the breach cannot be reasonably cured within such thirty (30) day period or you fail to diligently pursue a cure for such breach within such thirty (30) day period; or (iii) immediately upon written notice to you if you are named as a debtor in a petition for bankruptcy, make an assignment for the benefit of creditors, seek any other similar relief under any bankruptcy law or related statute, or otherwise cease to do business in the ordinary course.

**6.2.3** If you have purchased Usage Rights from KitBash that are in the form of a Subscription, your Subscription will automatically terminate if the Subscription is not renewed. Subscriptions will automatically renew for additional periods equal to the period of the Subscription you have purchased for so long as you continue to pay to renew the Subscription pursuant to [Section 5.2](#) above.

**6.2.4** You may terminate this Agreement pursuant to [Section 3.2.10](#) above.

**6.2.5** You may terminate this Agreement at any time by providing written notice to KitBash requesting that your User Account be deactivated. KitBash will deactivate your User Account within a reasonable period of time following KitBash’s receipt of your request, and upon such deactivation, this Agreement shall be deemed terminated accordingly. If the Usage Rights you have purchased provide for a Subscription and you thereafter provide written notice of deactivation and a refund request to KitBash within seven(7) days of the date on which you purchased your Subscription, KitBash will refund to you the Fees you paid for your Subscription provided you have not downloaded more than ten (10) assets during that period. However, you are only allowed a single refund pursuant to the preceding sentence during each calendar year. Any refund which KitBash is obligated to provide pursuant to this [Section 6.2.5](#) will be processed within a reasonable period of time. Except as otherwise set forth in this [Section 6.2.5](#), Fees paid by you to KitBash are non-refundable, and refunds, if any, will be provided if at all in KitBash’s sole and absolute discretion.

**6.3 Post Termination Rights and Responsibilities.** The parties shall have the following rights, obligations and responsibilities following the termination of this Agreement:

**6.3.1** Upon the termination of this Agreement, you will have no further rights to access and/or use the Platforms and/or the Assets under this Agreement, except as follows:

- a.** With respect to the Assets downloaded, imported or otherwise obtained during the term of a Subscription, then upon the termination of this Agreement, you will have no further rights to access and/or use the Assets except as set forth in Section 3.2.3 above.
- b.** If the Usage Rights you have purchased permit the use of an Asset for a limited period of time, then you will have no further rights to access and/or use the Assets following such time period except as set forth in Section 3.2.3 above.
